PROFILE

Elaine is a business lawyer representing clients on corporate and commercial law matters including purchase and sale of business transactions, corporate reorganizations, shareholders agreements, corporate governance issues, employee share options and ownership plans and commercial contracts. Clients have included business owners, investors, private companies, public companies and private equity funds.

Elaine has experience in a broad range of transactions including debt and equity financings and has also advised public company clients on regulatory matters, continuous disclosure obligations and corporate governance practices.

EXPERIENCE

- Purchase of shares and assets of a designer, manufacturer and seller of test instruments to measure cold flow properties by a United States-headquartered strategic acquirer
