PROFILE

Geoff is a hugely experienced lawyer with 25+ years experience advising companies, entrepreneurs and investors. He has worked with clients across a broad range of industries and on deals in Europe, Africa, the Middle East, Latin America and North America. Geoff advises on capital raisings, M&A transactions, commercial agreements, shareholders agreements and joint ventures, partnerships and other collaborative business arrangements.

With an extensive background in the energy sector and having written a MA thesis on sustainability Geoff is passionate about assisting clients engaged in the energy transition and all matters clean tech.

A lover of the outdoors, Geoff and his family moved to Vancouver in 2018 for the sea and the mountains. Before moving to Vancouver he was a partner in the London, UK office of an international firm.
